EFFECTIVE JEWISH ADVOCACY IN THE TIME OF CORONAVIRUS

AJC CEO DAVID HARRIS

MAY 26, 2020

6:00 - 7:00 pm via Zoom

AJC has long been considered *The State Department of the Jewish People*, a designation first attributed to it by Israeli Prime Minister Shimon Peres. With a lengthy track record of promoting Israel's place among the community of nations; fighting global antisemitism; and advancing human rights and democratic values, AJC has had a deep impact on issues of critical import to world Jewry.

As our world adjusts to life during a global pandemic, AJC has rapidly adjusted its venerable advocacy model, ensuring that its indispensable work continues. Join AJC CEO David Harris for a look at how the traditional global Jewish advocacy model has evolved and what the future may hold.
